

A JOINT EDUCATION PRESENTATION!

SATURDAY, NOV. 9, 2019

11:30 a.m. - 2:00 p.m.

Win-Star Bed & Biscuit - 3602 - 112th St. E., Tacoma WA 98446

Hands For Harmony PLLC
SUSIE SARACHMAN

Canine MASSAGE

Learn the different purposes of massage and how massage can have positive effects in canine body systems (circulatory, respiratory, digestive, nervous, skin, immune systems). Understand the different purposes of massages and when to access them... what you should know before seeking a professional for your dog, learn how to choose a practitioner. Learn and practice basic massage techniques you can do.

Why massage?
Massage vs. petting.

How massage affects body systems.

How to choose a massage practitioner.

Learn basic massage techniques.

NOTE: This will be a human-attendees-only presentation. If there is enough interest at the conclusion of the presentation, we will schedule a follow-up hands-on session, likely in early 2020.

SUSIE SARACHMAN with her 12 year old pug Charger and almost-8 year old boxer Marshall. Susie studied at the North West School Of Animal Massage in Washington, completed the SAMP courses for massage foundations and rehabilitative massage, attended trainings for canine acupuncture, myofascial release and EquiTaping. 2019 Nationally Board Certified in SAMP through NBCAAM. Licensed through the DOH and State of Washington.
